

Specifications

|                                     |                                      |
|-------------------------------------|--------------------------------------|
| Pipe Fitting Material               | 316 Stainless Steel, Stainless Steel |
| Material Grade                      | 316                                  |
| Class                               | Class 3000                           |
| Fitting Side A Nominal Pipe Size    | 1/2 in                               |
| Fitting Side A Gender               | Female                               |
| Fitting Side A Type                 | NPT                                  |
| Fitting Side A Pipe Threading       | 14                                   |
| Fitting Side B Nominal Pipe Size    | 1/4 in                               |
| Fitting Side B Gender               | Female                               |
| Fitting Side B Type                 | NPT                                  |
| Fitting Side B Pipe Threading       | 18                                   |
| Max. Steam Pressure                 | 2500 psi @ 350 Degrees F             |
| Includes Pre-Applied Thread Sealant | No                                   |
| Includes Seal                       | No                                   |
| Standards                           | ASME B16.11, ASTM A182               |
| Weight                              | 0.18 KG                              |
| Weight                              | 0.18 KG                              |
