

Beck

**Galvanized Steel Nipple, 1/8 in x 3 in, Pipe Schedule 40**

Brand: Beck  
SKU: 331001008  
Warranty: 0

**Specifications**

|                      |  |
|----------------------|--|
| Pipe Connection Type | Threaded on Both Ends                          |
| Pipe Type            | Pipe Nipple                                    |
| Pipe Schedule        | 40   |
| Material - Pipe      | Galvanized Steel                               |
| Pipe Weld Type       | Electric Resistance Weld                       |
| Pipe Size - Nominal  | 1/8 in   |
| Overall Pipe Length  | 3 in   |
| Pipe Thread Type     | MNPT x MNPT                                    |
| Max. Pressure        | 150 psi @ 150 Degrees F                        |
| Inside Dia. (In.)    | 0.269 in                                       |
| Outside Dia. (In.)   | 0.405 in                                       |
| Wall Thickness (In.) | 0.068 in                                       |
| Metal Detectable     | Yes  |
| Standards            | ASTM A-53 Type E, ASTM A-733, Grade B, WVN 351 |
| Weight               | 0.02721552 KG                                  |
| Weight               | 0.02721552 KG                                  |
