

Beck

**Nipple, Galvanized Steel, 3/8 in Nominal Pipe Size, 6 in Overall Lg, Threaded on Both Ends, Welded**

Brand: Beck  
SKU: 331011601  
Warranty: 0

**Specifications**

|                            |                             |
|----------------------------|-----------------------------|
| Application                | Air, Gas, Oil, Steam, Water |
| Finish                     | Coating / Galvanized        |
| Fitting Compatibility      | Schedule 40                 |
| Inside Diameter            | 1/2 in                      |
| Material                   | Steel                       |
| Material Grade             | Grade A                     |
| Maximum Operating Pressure | 150 psi @ 150 Degrees F     |
| Metal Pipe Construction    | Welded                      |
| Nominal Pipe Size          | 3/8 in                      |
| Outside Diameter           | 43/64 in                    |
| Overall Length             | 6 in                        |
| Pipe Weld Type             | Continuous Weld             |
| Schedule                   | Schedule 40                 |
| Side A Connection Type     | Threaded                    |
| Side A Gender              | Male                        |
| Side A Thread Type         | NPT                         |
| Side B Connection Type     | Threaded                    |
| Side B Gender              | Male                        |
| Side B Thread Type         | NPT                         |

|                             |                                     |
|-----------------------------|-------------------------------------|
| <b>Standards</b>            | ASTM A53 Type F, ASTM A733, Grade A |
| <b>Thread Configuration</b> | Threaded on Both Ends               |
| <b>Wall Thickness</b>       | 0.091 in                            |
| <b>Weight</b>               | 0.13 KG                             |
| <b>Weight</b>               | 0.13 KG                             |
