

Silent Diesel Generator 6.5 kVA Rated, 220-240V, 60Hz, Electric Start, 166 kg

Brand: Kc Power

SKU: KC7.0-DS

Warranty: 24

- Silent enclosure design to reduce operating noise during generator use
- Electric start system for simple and convenient operation
- High-efficiency alternator supporting stable power generation
- Compact generator structure designed for easier installation and positioning
- Equipped with a large 16L fuel tank to reduce refueling frequency

Specifications

Frequency	60 Hz
Rated Voltage	220-240 V
Rated AC Output	6.5 kVA
Max AC Output	7 kVA
Engine Model	LA192FB
Displacement	0.519 L
Engine Speed	3600 rpm
Starting System	Electric Start
Battery Capacity	36 AH
Fuel Tank Capacity	16 L
Operating Hours at 100% Load	7.63 hr
Lubricating Oil Capacity	1.65 L
Alternator Output	6.5 kW
Dimensions (L x W x H)	935 x 545 x 865 mm
Weight	166 KG
Weight	166 KG
