

Rebar Bending Equipment, Bending Capacity up to 38mm, 4PH, 3KW, Made in Italy

Brand: Simpedil
SKU: P44EVO
Warranty: 24

- High functionality and efficient performance
- Designed to deliver high productivity and suitable for use from both sides
- Double direction of rotation in both clockwise and anticlockwise
- Mounted on four wheels so can easily be moved to work sites
- Easy to use even unskilled workers can use this machine without any damage

Specifications

RPM	6
OIL Weight	13
Description	Re-Bar Bender
Model	P44 EVO Series
Motor	4 Hp / 3.0 kw
Voltage	380V
Hertz	60 Hz
Weight	500 Kg
Machine Size	105cm x 95cm x 89cm
Bending Capacity	Rebar Resistance= 65kg/mm ²
Single Bar	Ø38mm Diameter
Two Bars	Ø30mm Diameter
Three Bars	Ø24mm Diameter
Bending Capacity	Rebar Resistance= 85kg/mm ²
Single Bar	36mm Diameter
Two Bars	28mm Diameter
Three Bars	22mm Diameter
Rotating plate	460mm
Weight	500 KG

Weight	500 KG
