

## RYOBI

### Cordless Rechargeable Soldering Iron, 4V, 2.0Ah, Heats up to 460 °C, 0.2kg

**Brand:** Ryobi  
**SKU:** RSI4-120G  
**Warranty:** 24

- Fast heat-up to 460°C for immediate productivity
- Cordless design ensures total freedom of movement
- USB Lithium battery system for tool compatibility
- Compact and lightweight for precision work
- Enhanced safety with auto shut-off tip cover

#### Specifications

|                                      |                                                                                                          |
|--------------------------------------|----------------------------------------------------------------------------------------------------------|
| Power                                | 4V                                                                                                       |
| Temperature Range (°C)               | 460                                                                                                      |
| Battery Pack Capacity (Ah)           | 2.0 (RB420)                                                                                              |
| Battery Type                         | Li-ion                                                                                                   |
| Standard Equipment                   | 1x soldering tip, 1x solder wire (1 mm, 4 g), tip cap, 1x USB-C charging cable, 1x 2.0Ah battery (RB420) |
| Supplied In                          | Over 75% recycled cardboard carton                                                                       |
| Weight (Without Battery) (kg)        | 0.096                                                                                                    |
| Weight with Battery Pack (EPTA) (kg) | 0.156 (RB420)                                                                                            |
| No. of Batteries Supplied            | 1                                                                                                        |
| Charger Included                     | Yes (USB-C)                                                                                              |
| Weight                               | 0.2 KG                                                                                                   |
| Weight                               | 0.2 KG                                                                                                   |
