

**GRAINGER**

**Union, 304 Stainless Steel, 1/2 inch x 1/2 inch  
Fitting Pipe Size, Female NPT x Female NPT,  
Class 150**

**Brand:** Grainger Approved

**SKU:** 1LUE9

**Warranty:**

#### Specifications

|                                     |                                      |
|-------------------------------------|--------------------------------------|
| Pipe Fitting Material               | Stainless Steel, 304 Stainless Steel |
| Material Grade                      | 304                                  |
| Class                               | Class 150                            |
| For Pipe Schedule                   | 40                                   |
| Fitting Side A Nominal Pipe Size    | 1/2 in                               |
| Fitting Side A Gender               | Female                               |
| Fitting Side A Type                 | NPT                                  |
| Fitting Side A Outside Diameter     | 1/2 in                               |
| Fitting Side A Pipe Threading       | 14                                   |
| Fitting Side B Nominal Pipe Size    | 1/2 in                               |
| Fitting Side B Gender               | Female                               |
| Fitting Side B Type                 | NPT                                  |
| Fitting Side B Outside Diameter     | 1/2 in                               |
| Fitting Side B Pipe Threading       | 14                                   |
| Maximum Operating Pressure          | 300 psi                              |
| Max. Steam Pressure                 | 150 psi                              |
| Includes Pre-Applied Thread Sealant | No                                   |
| Includes Seal                       | No                                   |
| Overall Length                      | 38 mm                                |

|             |                                                                |
|-------------|----------------------------------------------------------------|
| Hex Size    | 37.5 mm                                                        |
| Color       | Silver                                                         |
| Application | Air, Natural Gas, Non-Potable Water, Oil, Potable Water, Steam |
| Standards   | ASME B1.20.1, ASTM A351, MSS SP-114                            |
| Weight      | 0.15 KG                                                        |
| Weight      | 0.15 KG                                                        |
