

Makita

40v Power Source Kit, XGT, 2x 40V 4Ah Batteries & DC40RA Fast Charger, Carry Case

Brand: Makita
SKU: 191K03-2
Warranty:

- Cooling System Helps extend battery life by preventing overheating.
- Battery Fuel Gauge 4-LED battery level indicator with a check button
- Digital Communication Ensures optimal power transfer between tool & battery & charger.
- Increased Impact and Water Resistance Designed to withstand harsh job site conditions
- Advanced Battery Technology XGT batteries feature a new type of cell for enhanced durability and efficiency

Specifications

Nominal Battery Voltage	40 V
Voltage XGT	Yes
Number of Batteries Supplied	2 x 4.0 Ah
Battery Capacity	4.0 Ah
Average Charging Time	45 min
Plastic Carrying Case	Yes
Product net weight	7.1 kg
Weight	7 KG
Weight	7 KG
