

**GRAINGER**

**45° Elbow: 1 1/2Inch x 1 1/2Inch Pipe Size,  
Malleable Iron, NPT x NPT, Class 150**

**Brand:** Grainger Approved

**SKU:** 5P837

**Warranty:** 0

#### Specifications

|                                     |                                                      |
|-------------------------------------|------------------------------------------------------|
| Pipe Fitting Material               | Malleable Iron                                       |
| Finish                              | Coating / Galvanized                                 |
| Class                               | Class 150                                            |
| Fitting Side A Nominal Pipe Size    | 1 1/2 in                                             |
| Fitting Side A Gender               | Female                                               |
| Fitting Side A Type                 | NPT                                                  |
| Fitting Side A Pipe Threading       | 11 1/2                                               |
| Fitting Side B Nominal Pipe Size    | 1 1/2 in                                             |
| Fitting Side B Gender               | Female                                               |
| Fitting Side B Type                 | NPT                                                  |
| Fitting Side B Pipe Threading       | 11 1/2                                               |
| Includes Pre-Applied Thread Sealant | No                                                   |
| Includes Seal                       | No                                                   |
| Color                               | White                                                |
| Standards                           | ASME B16.3, ASTM A197, FM Approved, IAPMO, UL Listed |
| Weight                              | 0.51 KG                                              |
