

HERO

Diamond Core Drill Machine, 220V, 50/60Hz, 4880W, up to 250mm

Brand: Hero
SKU: H-DK250/2
Warranty: 24

- High-performance 4880W motor for demanding drilling applications
- 250mm drilling diameter for large concrete coring projects
- 550mm drilling depth supports professional construction work
- Variable speed control improves drilling accuracy and efficiency
- Robust design built for long-term industrial use

Specifications

Mix Drill Dia (mm)	250mm
Rated Voltage(V)	220v
Rated Frequency (Hz)	50/60Hz
Rated Input Power (W)	4880W
Backing Material CARTON	
Cable Length	(m) / 3.5m
Borehole Depth(mm)	550mm
Net	gross Weight (kgs) / < 21.5/26kgs
Packing Size (cm)	95*38*23
No-load Speed (rpm)	490 - 780rpm
Weight	26 KG
Weight	26 KG
