

**KC POWER**

**Diesel generator, Silent, Maximum Output 15 kVA, Fuel Tank 68 Liter, 730 Kg**

**Brand:** Kc Power

**SKU:** KC13.75-DS

**Warranty:** 6

- The digital control panel makes the generator easy to use
- The presence of wheels ensures effortless portability.
- The industrial heavy-duty frame design offers optimal protection.
- The KC Power 15 KVA diesel generator powered by a 2.16L engine
- It Is Equipped With 415v Three-Phase And 240v Output Sockets.

**Specifications**

|                                |                                    |
|--------------------------------|------------------------------------|
| Voltage (V)                    | 240/415 Single-phase / Three-phase |
| Frequency (Hz)                 | 60 HZ                              |
| Rate. AC Output (KVA)          | 13.8                               |
| Max. AC Output (KVA)           | 15                                 |
| Engine model                   | FAW/ 4DW81-28D                     |
| Displacement                   | 2.16L                              |
| Starting system                | Electric                           |
| Battery (AH)                   | 60                                 |
| Engine speed (rpm)             | 1800                               |
| Lube oil capacity (L)          | 8                                  |
| Fuel tank capacity (L)         | 68                                 |
| 100% load operating hours (Hr) | 22                                 |
| Alternator                     | LEGA                               |
| Dimension (LxWxH) (mm)         | 2110x850x1160                      |
| Weight                         | 730 KG                             |
| Weight                         | 730 KG                             |
