

**Makita**

**Blower with Vacuum Kit**

**Brand:** Makita  
**SKU:** UB0800X  
**Warranty:** 24

**Specifications**

|                                                      |                                     |
|------------------------------------------------------|-------------------------------------|
| Continuous rating Input 1650W                        |                                     |
| Air volume Blower: 0 - 7.1m³                         | min / Vacuum: 11m³/min              |
| Air pressure 4.1kPa (418mm H2O)                      |                                     |
| No load speed (rpm) Low: 9,000                       | High: 17,000                        |
| Voltage                                              | Frequency 220 - 240V / 50 - 60Hz    |
| Noise level 106 dB(A)                                |                                     |
| Dimensions (L x W x H) 810 x 220 x 300mm (32" x 8-5) | 8" x 11-3/4"                        |
| Net weight 3.2kg (7.0lbs) (with blower nozzle)       | 3.8kg (8.4lbs) (with vacuum nozzle) |
| Power supply cord 2.5m (8.2ft)                       |                                     |
| Weight                                               | 3 KG                                |
| Weight                                               | 3 KG                                |
