MAGNETIC DRILL

Brand: Ruko
SKU: 108002RS
Warranty: 24

Specifications

MAGNETIC DRILL W	STAND 12~60MM MT-2 EASY LOCK from RUKO
- The magnetic-stand makes horizontal, vertical or overhead work possible.	
- The machines compact, light construction makes it extremely versatile and easily portable.	
- The core drills in the machine can easily be replaced by twist drills, thus allowing bottoming.	
- An electronic protective switch prevents inadvertent operation until the magnet has been switched on.	
- The machine is equipped with a safety cutoff if the magnet fails due to outside influences.	
- Ideal for use in steel construction, industrial building, engineering, terotechnology, shipbuilding, bridge construction, crane building and assembly work in metalworking shops.	
- Speeds and cutting speeds are ideally matched to our machines.
